

## Master of Arts in Theological Studies: New Testament Language Track (Part-Time; Semester Basis)

Coursework required for M.A.T.S. students studying on a part-time, semester basis is identical to coursework required for M.A.T.S. students studying on a part-time, annual basis or those studying full-time. However, in this modality students take only two core classes at a time, and attend shorter (one-week) residencies every six months.

M.A.T.S. students who wish to pursue a New Testament concentration on the language track will take the following classes. Please note: language classes are offered on an ongoing basis with students from multiple cohorts participating together, and operate on a unique calendar. Courses listed in bold are required. Four of the six courses *not* in bold may be audited, for a total of 60 credit hours. Credit hours per term may fluctuate.
